LYNN·VIEW LODGE

PET POLICY

Lynn View Lodge and Cabins welcome you and your dog(s)/pets. We love being a pet-friendly establishment. Unfortunately, we have experienced problems in the past with other guests and their pets, resulting in the following:

1. You do not leave your pet in your room or cabin unattended, **not even in a crate (because no one can guarantee their dog won't bark).**
2. Pets are not allowed on the beds/furniture in rooms or cabins.
3. We ask that dogs be on leashes when outside of cabin or room and on this side of the road. ***(The grassy area across the road is a great place for them to run and play and is part of Lynn View Lodge's property and dogs can be off leash there).***
4. Pick up after your dog/pet.

And now our reasons we ask or disallow these things:

1. **Being unattended**: Pets have, in the past, destroyed bedding and furniture and have caused major clean-ups for staff. This is not the pet's fault – we understand that. When left alone, they cry for their owners, curl up on anything that as a familiar smell, get into the garbage and bark at anything and anyone that passes by. The drawn curtains will not stop them from peeking through them. **Barking dogs disrupt other guests.**
2. **Pets not allowed on furniture/bedding**: Pet hair (and sometimes vomit) is difficult to clean and even though bedding gets laundered, the hair may not launder out and we do occasionally have guests that are allergic to dogs/cats.
3. **Leashes** - We have squirrels on the property. Dogs chase squirrels. Squirrels run into the road, it is a heavily and fast driven road – you get the picture. At times we have multiple guests with dogs/pets. Dog fights have not happened, but for the safety of the pets, the guests and staff, we must ask they be kept on a leash.
4. **Dog waste**. No one likes to step in or around dog waste. So, please be considerate of others and pick up after your pet (especially across the street in the park area). We provide the buckets you provide the waste. (If for some reason the bucket has been overlooked, ask, we will make sure you get one.)

WE THANK YOU IN ADVANCE FOR YOUR HELP WITH OUR POLICY

Pets and service animals are welcome however the owner is fully responsible for any damages. If the bedding, furniture or carpets must be cleaned due to pet hair or stains, a $100 cleaning fee will be assessed. Additional charges will be assessed to replace or repair furniture, carpets or bedding damaged by chewing, scratching or stains.
